

The unitech EA500 (Android 7.1) is a rugged 5" mobile enterprise computer combining strong features with powerful data collection. The EA500 provides convenient connectivity, reading capabilities and enhances the service level for a variety of vertical applications within the retail, hospitality and field service sectors.

#### Compact Design, Rugged Format

Powered by the steady Android 7.1 operating system, EA500 is one of the most flexible mobile computer with a weight of only 210g. It's easy to carry around for a variety of vertical applications within the retail, hospitality and field service sectors.

#### High Resolution Camera for workforce

Equipped with an 8MP rear camera with autofocus and LED flash and a 5MP front camera, the EA500 is ideal for capturing digital evidence for proof-of-delivery.

# 1.5M Drop specification

Designed to survive in harsh environments, this enterprise mobile computer is rugged enough to drop from 1.5 meters onto concrete. The EA500 is highly reliable to meet the needs of a wide range of mobile workforce applications.

#### **IP67** Rugged Protection

Engineered with industrial grade materials, the EA500 is available to survive through the harsh environments with its IP67 waterproof and dustproof rating.

#### 2D Scanning Capability

Featuring superior 1D and 2D barcode reading performance, it ensures read reliability for mobile phone screens and paper in any orientation. The EA500 gives your workforce the technology it needs to take your business to the next level.

## Built in NFC RFID Reader/Writer

The EA500 features an NFC reader and writer that allows users to log in the terminal with private identification card.

# Equipping with Rugged POGO PIN & USB Type-C

The pogo-pin design protects the handheld from the wear and tear of frequent charging and docking. The EA500 also comes with a USB Type-C cable for data transforming.

#### High Capacity 3800mAh Rechargeable Battery

The highlight of this mobile computer is its huge 3800 mAh recharge-able battery, which provides tons of power even with aggressive usage.
