

M3 SL10 FULL TOUCH RUGGED COMPUTER

# SL10 Series

**SL10** is more reasonable mobile computer. This is the mobile computer you really want for your enterprise business.

The SL10 is the most Advanced enterprise-ready 4G/LTE mobile computer with the high **CPU(1.44GHz Quad Core)**. Supporting **Android 8.X operating systems**, the SL10 mobile computer targets retail market and office in scan-intensive workflows such as market and logistics, indoor and outdoor service who want to build a truly automate mobile workspace with the modern conveniences of an all-touch smartphone and physical keypad to speed business agility. It makes reducing total cost of ownership. High end mobile applications can be guaranteed to work well on the SL10. The SL10 mobile computer is designed to support the most advanced connected mobile user experiences, facilitating large file transfers, video streaming and remote access to business applications quickly, so workers can more effectively manage a wide variety of tasks throughout the sales cycle.

Additionally, SL10 mobile computer offers enough battery life to last a full shift and beyond, keeping mobile workers always connected to crucial information to packaging, check stock, look up order status or scan items.

## Great User Interface with Android™

Wide Screen can be possible to manage the touch screen easily. You don't care about mistyping and adjust screen input in SL10.

The SL10 mobile computer offers crystal 5.0 Inch Corning® Gorilla® III Glass sunlight-readable display with multiple input modes to save valuable time and minimize data entry errors.

## SL10K Keypad

You don't care about mistyping and adjust screen input in SL10K. Moreover **Keypad** helps your application managing.

## Reasonable and useful Accessories

**Gun Trigger(Pistol grip) for scanning** helps your barcode scanning more easily. **Charging Cradle** is possible to use Ethernet and USB data communication. **Rugged boot for protecting** SL10 and SL10K make more strong.

The most reasonable enterprise-ready mobile computer.

The SL10 and SL10K mobile computer delivers real-time connectivity and best-in-class data capture capabilities.

M3 SL10 FULL TOUCH RUGGED COMPUTER

# SL10

**Processor:** 1.44 GHz Quad core

**Operating System:** Android 8.X

**Memory:** 2GB RAM, 16GB Flash  
Up to 128GB of extended Micro SD slot

**Display:** 5.0 inch in HD

**Battery:** 4,000mA  
SL10 can do standby + 200 hours without recharging.

**Camera:** 8.0-megapixel rear camera with autofocus,

**Protecting boot for SL10**

**Charging Cradle**

**Gun handle(Pistol grip)**

\* Bluetooth connecting type

Performance	CPU	1.44 GHz Quade-core processor
