TOUGHBOOK T1

A SLEEK RUGGED HANDHELD FOR MISSION CRITICAL ENTERPRISE WORK WITH INTEGRATED BARCODE READER

The Panasonic TOUGHBOOK® T1 is a slim and sleek Android OS based handheld that proudly carries the TOUGHBOOK name. Its ability to be used in the enterprise to collect information from workers in retail stores, warehouses, field service, transportation and delivery or many other environments where work must occur belies its mild looking exterior. The TOUGHBOOK T1 has a quad-core processor and a straight-shooting barcode reader, options to have a pistol grip with trigger, use a stylus pen or connect to multi-carrier 4G LTE with voice capability; yet end users will feel comfortable with its Android OS. This handheld's users won't miss a beat with its great battery life, glove and rain-touch enabled 5" screen, 5 foot drop rating and IP66 and IP68 certification. The TOUGHBOOK T1 is ready to be used by satisfied end users everywhere in your organization.

- Android™ 8.1 (Oreo™)
- Qualcomm® MSM8909 1.1GHz Quad-Core
- 5" High definition display with glove and rain mode
- 2 GB RAM and 16 GB flash storage
- Integrated 1D/2D straight-shooting barcode reader
- Two user-configurable scan buttons for left and right handed users
- Optional multi-carrier 4G LTE data and voice support
- Available with Panasonic P.180 for seamless global data connectivity
- Designed to meet MIL-STD 810G
- IP66 and IP68 sealed all-weather design
- User-replaceable battery with warm-swap function
- Expected 12 hours battery life based on standard enterprise user profile
- Loud speaker with noise suppression and three echo cancellation microphones
- 1 Year warranty with business class support as standard and optional 3 years warranty

PROSERVICES

PROFESSIONAL SERVICES

If you're a mobile worker in a demanding profession, workdays can be hectic, to say the least. It's often just you and your mobile computer on the front lines, wherever the job takes you. You need to know that you'll always have the tools you need to do your job.

Thousands of organizations choose Panasonic for their employees who work in unforgiving environments. We've been making rock-solid mobile computing products for over 20 years and are constantly pushing rugged computing forward. TOUGHBOOK family of computers boast industry-leading low product-failure rates. So it's no wonder we've become the longest-running rugged computer supplier for the U.S. government, law enforcement, and public safety agencies. But even with the toughest tools, work life can be a bit unpredictable. Make sure your workers can always depend on their TOUGHBOOK devices by augmenting them with Panasonic ProServices—planning, deployment, security, repair, and replacement services that support your IT and field staffs.

Our Standard Warranty protects your TOUGHBOOK computers from manufacturing defects for one year. It provides lifetime access to our U.S.-based technical support hotline (which has average hold times less than 1 minute); online access to drivers, first-aid disks, BIOS updates, tools, utilities, and manuals; free overnight delivery of customer-replaceable parts and repaired units (85% of repairs are completed within just 48 hours); and access to Panasonic field service personnel.

Panasonic recognizes that one size does not fit all, and each customer has a unique set of skills and needs. As such, Panasonic ProServices can offer each customer the right solution to best suit their particular situation. Here are some of the most popular items, but please contact your Panasonic representative or go to the ProServices website for more services and information.
